EXAMINER'S AMENDMENT

The following is an examiner's statement of reasons for allowance: the art of record considered as a whole, alone or in combination, neither anticipates nor renders obvious a locking pliers having "a releasing lever (4) pivoted to and extending rearwardly and upwardly from the movable handle (32) toward the rear end portion of the adjusting screw rod (23), the releasing lever having a front end (41) that is pivoted to the movable handle, protrusion (44) that disposed adjacent to front end and that abuts against locking lever (33), and a rear end portion (42) that is opposite to the front end and that is disposed below and aligned with the rear end portion of the adjusting screw rod (23), the rear end portion of the releasing lever having a flex wall body that defines a trough which is aligned with and which opens toward the rear end portion of adjusting screw rod, the flex wall body having a substantially flat central portion (45) defining a bottom side of the trough, and two opposite curved side portions flaring curvedly and upwardly from the flat central portion to define two opposite sides of the trough, the flat central portion having a width in a transverse direction relative to the length of the releasing lever, the width being larger than the diameter of the rear end portion of the adjusting screw rod" in the combination as claimed in **claim 1**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
